TIMEBADGE® EXPIRING BADGE

Expiring Badges

Manual or Printable TIMEbadge® Expiring Badge

- Patented badges expire gradually, revealing a red color change
- Color change is highly visible from a distance
- Mix and match different BACKparts to color-code different groups of people

How it works: 2-Part Expiring Badge

Place FRONTpart over choice of BACKpart and the expiration process begins and cannot be stopped (Shown with a 3 x 3" (76 x 76 mm) yellow color header BACKpart)

Manually-Issued TIMEbadge® Expiring Badge

- No hardware or software needed
- Excellent for low to moderate visitor traffic
- Available in 4 expiration time-frames:
(Half-Day, One-Day, One-Week and One-Month)

Thermal-Printable TIMEbadge® Expiring Badge

- Badges print from any direct thermal printer
- Use with your current visitor software system
- Customize your own layout with text, your logo, or graphics
- Available in One-Day or One-Week expiration

Inkjet or Laser-Printed TIMEjet® Expiring Badge

- Badges print from any inkjet or laser printer
- Quick and easy to use, print quality color or black & white
- Badges come 2-up per sheet
- Available in One-Day Expiration

Customize our products with your organization's logo and/or colors. A customized badge enhances both your image and security by limiting the risk of counterfeit badges being used to enter your facility.

EXPIRING SCHOOL BADGES

Know Who's Walking Your Halls

When an adhesive timing cover is applied to the front of the badge, a color change appears in a Half-Day (4 hours) or One-Day (8 hours) so the badge cannot be reused.

- No need to worry about unauthorized reuse of uncollected badges
- Patented color change is highly visible from a distance
- Choose from a variety of badge designs
- Designed specifically for schools to prevent tampering of personal information

Please note: Adhesive badges should not be applied to delicate materials such as corduroy, leather, silk, suede and vinyl.

Double-sided CARDbadge® ID

How it works: Print, Peel, Fold, and Clip

The Double-sided CARDbadge ID is a patented name badge made of card stock, which eliminates the need for a badge holder. Its unique 3-up design lets you print both front and back simultaneously.

- Badges print from any laser printer
- Print schedules or policies on one side, names on the other

Packaging: Title Headers (150, 50 sheets of 3)
 Color Headers - 501 badges (167 sheets of 3); Blank - 501 badges (167 sheets of 3)
 Size: 3 x 4" (7.62 x 10.16cm); CARDstock

SINGLE SIGN-IN SYSTEM

Easy Sign-In For Privacy

Single Sign-in System

The Single Sign-in System is a low cost way to register and badge your visitors in one step, while maintaining confidentiality of individual records.

- Ideal for locations requiring visitor confidentiality
- As visitors write on the carbon-backed log, their info is transferred onto the badge
- There's nothing to align—badge and log come pre-attached
